

## Investor Commitment Form

To become a TiE Florida Angel member requires them to be an active member of the group. Being active means a) member is a current paid TiE Tampa member, and b) member commits that he/she will invest in the startups deal flow presented by the TiE Florida Angel committee for next three years.

The deals obviously need to be appealing to the member and match their personal value or objectives. The member also confirms that they understand the holding periods for investments would be anywhere from three to ten.

I certify that a) I am a paid member of TiE Tampa, and b) I have the \$10,000 funds available to invest in the startups for the next three years. I/we will have an opportunity to choose from the list of deals vetted by the TiE Florida Angels team and I/we further understand that the holding period for the investment will be three to ten years.
